Please find below and/or attached an Office communication concerning this application or proceeding.

The time period for reply, if any, is set in the attached communication.

DETAILED ACTION

Correction of Typographical Error and Withdrawal of Finality

This office action is to notify applicant that the previous Office Action mailed 7/9/2010 included a typographical error on the PTOL-326 stating that the action was a final rejection. Rather, the previous Office Action rejection mailed 7/9/2010 is a non-final rejection. Since the grounds of rejection remain the same, the time period for response has not been reset and continues to run from the mailing date of the previous Office Action (7/9/2010).

Conclusion

The prior art made of record on the attached PTO-892 form (if any) and not relied upon in the rejections above is considered pertinent to applicant's disclosure.
